JOB DESCRIPTION

Move Out

The Move Out Crew's main objective is moving plants from one area to another, filling containers with soil, moving/hauling soil, lifting and hanging planted baskets, and other general labor tasks. This job requires the physical ability to perform a multitude of labor intensive jobs like; carrying stacks of flats (about 20 lbs), repetitive bending and lifting of flats and baskets, balancing/walking down narrow paths/aisles.

Must:

- operate an electric cart (often with a trailer) safely
- must bend and lift (up to 20#) repeatedly for 8 hours from ground to head level and be able to lift and maneuver up to 35 lbs intermittently.
- work cooperatively with the Growing and Wholesale employees
- maneuver 7' tall delivery racks (on casters) fully loaded with plant material (75-100 lbs push/pull weight). Precisely maneuver delivery rack shelves (20lbs weight).
- tolerate working outdoors in cold and hot conditions, loud noise, wind, and dust.

Wage and Hours:

Minimum wage

Flexible/variable hours ranging from 8-40 hours per week

Seasonal Position
