## Order Puller

### Job Summary

Ashland Greenhouses has been known for locally grown, region specific plants since 1906. We grow 100% of the plant starts we sell. All of our plants are selected to do well in our unique climate. We are open to the public and serve individual gardeners, landscapers, and businesses. We also ship wholesale orders to independent garden centers, nurseries, and flower shops.

As an Order Puller, you will assist the Wholesale Manager in filling orders in a fast, friendly, and efficient manner, emphasizing that only a quality product is delivered to our customers. This job requires the physical ability to perform a multitude of labor-intensive jobs.

\*Positions are seasonal and the compensation is minimum wage.\*

### Job Responsibilities

While working, an Order Puller's responsibilities will include:

- Lift up to 20 lbs. repeatedly over an 8-hour day from ground to head level and place from head to ground level
- Maneuver 7' tall racks (on casters) fully loaded with plant material (75-100 lbs. push/pull weight)
- Precisely maneuver delivery rack shelves (20 lbs. weight)
- Carrying and lifting flats (about 15 lbs. weight)
- Balancing/walking down narrow paths/aisles
- Repetitively moving plants from one area to another
- Moving/hauling/filling containers with soil
- Lifting and hanging planted baskets
- Other production tasks as assigned

### Skills

Skills essential for the position are:

- Functional knowledge of plant identification is highly recommended
- Ability to safely operate an electronic cart pulling a trailer (golf cart style)
- Be detail oriented and organized
- Ability to tolerate working outdoors in cold and hot conditions, loud noise, wind, and dust
- Willingness to work flexible/variable hours ranging from 8 to 40+ hours a week on weekdays and weekends
